

PRESS RELEASE

EPIC GAS LTD. TAKES DELIVERY OF 11,000CBM NEWBUILDING

Singapore, 13 May 2016

Epic Gas Ltd. announced today that the 11,000cbm LPG carrier Epic Shikoku, the third vessel in the Company's series of eight newbuildings, delivered on 13th May 2016 from Kyokuyo Shipyard, Japan.

Epic Gas remains committed to the delivery of a high quality fleet of long term controlled assets across the full pressurised sector of 3,300 – 11,000cbm, with an outstanding new building program of two 7,500cbm vessels and two 11,000cbm vessels, plus an additional 11,000cbm new building to be delivered under a bareboat charter to Epic Gas.

The Company's fleet is segmented as follows:

Vessel Segment	On the Water	On Order	Fully Delivered
3,000-4,999	11		11
5,000-6,999	12		12
7,000-8,999	11	2	13
9,000-10,999	2		2
11,000	3	3	6
Total	39	5	44

Epic Shikoku

About Epic Gas

Epic Gas owns and operates a fleet of fully pressurised gas carriers providing seaborne services for the transportation of liquefied petroleum gas and petrochemicals. The company controls a fleet of 44 vessels which serve the international supply chains of leading oil majors and commodity traders throughout Asia, Europe, Africa and the Americas.
